

There are many typeface styles from which you choose, so selecting correctly is important since they should reflect the moods for the particular occasions. The density conveyed by the blackness of type on papers must then be controlled by a numbers of factors; all play their own parts in creating just the right impression. The reason for varying the weights of a style becomes apparent when any change in emphasis is required. These features should be used sparingly to be effective and getting the best from variable weights it also needs the use of enough contrast to make the reader definite about your mess
